EXPERIENCE

SPONTOM & CO

Full Stack Developer Intern

Hyderabad

Sep 2023 - Nov 2023

- ✓ Collaborated with UI/UX designers to transform designs and wire-frames into visually appealing and functional frontend React components.
- ✓ Designed and redesigned web pages for enhanced user experience and functionality.

PROJECTS

ONKART | MERN

[Link](#)

- Implemented the core logic for **authentication**, **shopping cart**, and **checkout** functionalities.
- Integrated with the **Stripe** payment gateway for secure and seamless transactions.
- Implemented a **Debouncing** search feature to enhance item searching efficiency.
- Utilized **REST APIs** to dynamically load and render data served by the backend server, ensuring smooth user experience.

VIDEO CURATOR PLATFORM | MERN

[Link](#)

- Created a user-friendly **video curation** platform with **video streaming** capabilities.
- Developed a system for users to **embed** and organize videos from popular sources like **YouTube** and **Vimeo**.
- Implemented a **Tag-based filtration** system for easy content discovery by viewers.
- Enabled an **upload feature** for users to upload their own videos to the platform.

MEDCARE | MERN

[Link](#)

- Built a doctor-**appointment booking** website using the MERN stack.
- Implemented advanced **sorting** features to help users find the best doctors.
- Enabled users to search for doctors either by **Hospital** or by their **profession**.
- Provided a convenient booking system for scheduling appointments on preferred **time slots**.

CERTIFICATIONS

- Certification in Web App Development Training. [🔗](#)
- Certification in Amazon Web Services. [🔗](#)
- Certification in Machine Learning for All. [🔗](#)

ACHIEVEMENTS

- Won the **Best Project Award** for Most Innovative Project during Open Day 2024.
- Leetcode (3 stars).
- Participated in C Programming Skill Test (Phase-II) organized by Dayananda Sagar College of Engineering.
